Thank you for your interest as a Visiting Artist at the Clay Gallery!

Visiting Artists are a new and unique addition to the cooperative gallery experience; they are well-known ceramic artists in the community who may not have the time to dedicate to the Clay Gallery cooperative operations.

We are a local cooperative of over 20 member clay artists. All members share the gallery display space as well as the daily operations of the gallery. The members work 2-3 shifts (9-15 hours) per month, depending on the selling season. In addition to working on the gallery sales floor, members also have a job in the operation of the gallery. Examples of Clay Gallery work categories are website design, publicity and gallery display. Expenses for gallery operations are paid by the membership.

A Visiting Artist is not required to work in the gallery. Visiting Artists pay a monthly rent for space on the sales floor, as well as give 35% of their sales to help cover insurance, utilities, advertising, packaging, supplies, credit card fees, and other business expenses. Visiting Artists not only bring important press and new buyers into the gallery, they also help cover gallery costs.

If you would like to be a Visiting Artist at the Clay Gallery, please contact the gallery. Do not hesitate to call or stop by to speak with other member artists.

We look forward to seeing your work!

Best Regards
