

Clay Gallery 335 South Main Street Ann Arbor MI 734-662-7927

Thank you for your interest in the Clay Gallery at 335 South Main Street!

We are a local cooperative of over 20 member clay artists. All members share the gallery display space as well as the daily operations of the gallery. The members work 2-4 shifts per month, depending on the selling season. In addition to working on the gallery sales floor, you will also have a job in the operation of the gallery. Expenses for gallery operations are paid by the membership. Total yearly cost per member artist is approximately \$1700, which is paid quarterly or in monthly installments. Member artists display an average of 20 pieces per month; the gallery earns 20% on all work sold. This money is used for rent, insurance, utilities, advertising, packaging, supplies, credit card fees, and other business expenses.

New members pay a buy-in fee of \$350, which helps to offset the cost incurred by the original members in getting the business started.

We have a general membership meeting every two months. Every member matches his or her skills with a part of running a successful gallery.

If you wish to be considered for membership please submit the membership application, including a cover letter, resume, and 10 digital and/or printed images of your work. Please feel free to call or stop by the gallery to speak with other member artists.
